Parent Support

### Support for parents and safeguarding our children

Please keep a watch on the video games your children are playing. Several children have openly spoken about playing GTA. This is an 18 rated game and totally inappropriate for any child or indeed teenager.

Collective Worship

### Collective Worship

We are continuing to reflect on our "5 for Life" Bible verses and preparing for the season of Advent

*Vision statement: Every member of our school family can stand as spiritual, confident, positive individuals, rooted in Christian values, empowered to face life's challenges, reach their full potential and serve the community.*

Have a good week!
