

Weekly Update

10.2.25

Please read the information below so you are informed of the latest updates and what is happening in school.

Please note, there is no school next Friday 14th February as it is an INSET day.

Staff are taking part in training for all schools in the SDBE Multi- Academy Trust

Building Community

Following on from the Focus Group and questionnaire about “effective communication in school” we are reintroducing all pupils exiting from the playground at the end of the day. Some parents of older pupils felt that they were missing out on seeing parents from the other year groups and there was not enough space at the front of the school to talk to the teacher.

We will trial this after half term. Years 5 and 6 whose parents are not waiting in the playground will exit the playground and stand outside the fire gates by the Nursery wall.

A letter will be sent out giving detailed feedback and actions from other points raised in the Focus Group

We will be running other meetings like this on different issues related to the life of the school.

School news: Thanks to the St John’s Society, we are having two fruit trees planted in our school playground and some other trees are being planted outside the school.

EYFS news

From now on if you are a parent in EYFS (Nursery & Reception) and see this picture, this is information just for you! It is always good to read the whole newsletter so you can keep informed about whole school events but this will be your own space!

Parents Coffee morning (Parent Forum)

We will be having a Parents’ Coffee Morning 9.05am - 9.45am on the last Wednesday of each month. All are Welcome.

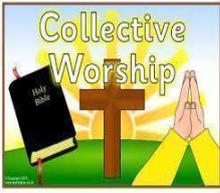

Support for parents and safeguarding our children

Parenting Support Session run by Lewisham on Wednesday 26th February, 9.00-10.30am. Please book by clicking on the link below

- <https://forms.gle/hShw5sPU1ibMvhJD9>

Please note: It is so important in your child’s eyes that they are here promptly to start the day and picked up on time by their adult. Punctuality is an important life skill.

Collective Worship

As part of Mental Health Week we will continue to look at strategies that can help us grow.

We are also practicing songs to take part in Christian Aid's singing celebration organised by the Southwark Diocesan Board of Education. More information to follow

Vision statement: Every member of our school family can stand as spiritual, confident, positive individuals, rooted in Christian values, empowered to face life's challenges, reach their full potential and serve the community.

Have a good week!
