

Weekly Update

10.3.25

Please read the information below so you are informed of the latest updates and what is happening in school.

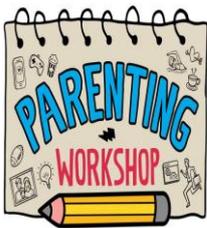

Movie Night - Parent Forum Event - 18th March

The Parent Forum is holding a Movie Night on Tuesday 18th March. (There will be crafts set up for the younger children who may find it hard to sit through a movie.) It will cost £3 per child.

It will run from 3.30pm until 5.30pm. Parents can pick their children up from the playground at 5.30pm. Please be on time!

(If you normally attend the After School Club on a Tuesday please do not cancel your booking, normal payment for ASC must still be made. The children will watch a movie as part of their session so they do not miss out.)

Parent Workshop

We are running a Parenting Support session on Wednesday 19th March. This session is looking at strategies to help manage stress when parenting becomes challenging. The sessions we have already run have been really good and have had positive feedback. Please come along, everyone is welcome! Book in here:

Support for parents and safeguarding our children

Please note: It is so important in your child's eyes that they arrive at school promptly to start the day and be picked up on time by their adult. Punctuality is an important life skill.

Thanks to all the parents who always get their child to school on time.

Collective Worship

This week we are focusing on our "5 for Life" Bible verses. We will also be launching Science Week.

We are praying for the Year 5 class to have a great time on School Journey.

Vision statement: Every member of our school family can stand as spiritual, confident, positive individuals, rooted in Christian values, empowered to face life's challenges, reach their full potential and serve the community.

Have a good week!
