

## Weekly Update

19.5.25

Please read the information below so you are informed of the latest updates and what is happening in school.

### Staffing Update

We are sad to announce that Mrs Kitson-Moore is retiring at the end of this year after 38 years at St Stephen's! The good news is she will be here one day a week next year to work in different classes across the school.

Mrs Kitson-Moore has had a huge impact on the lives of all the children and staff who have been, and still are part of St Stephen's. She is one in a million and I know you will join me and the staff in wishing her well at the end of term as she starts her retirement.

As of Monday 19th May we have a new Administrative Assistant starting at St Stephen's. Please make sure you pop in to welcome Mrs Olaley. We are excited to have her join the St Stephen's family.

### Support for parents and safeguarding our children

Parenting workshop Wednesday 11th June. "The challenge of technology".

This is a really good workshop for parents dealing with the changing world of social media and online gaming.

## Collective Worship

We are looking at the concept of spirituality. What does it mean to develop spiritually? We are made up of Body, Soul and Spirit. We tend to spend a lot of time developing a healthy body but what about our inner person!

Our school values are at the core of all we do. We are known by the fruit of the Spirit working through us. What do others see in me?

*Vision statement: Every member of our school family can stand as spiritual, confident, positive individuals, rooted in Christian values, empowered to face life's challenges, reach their full potential and serve the community.*

**Have a good week!**
